

All Hazard Incident Management Team EM Forum Briefing

26 June 2013

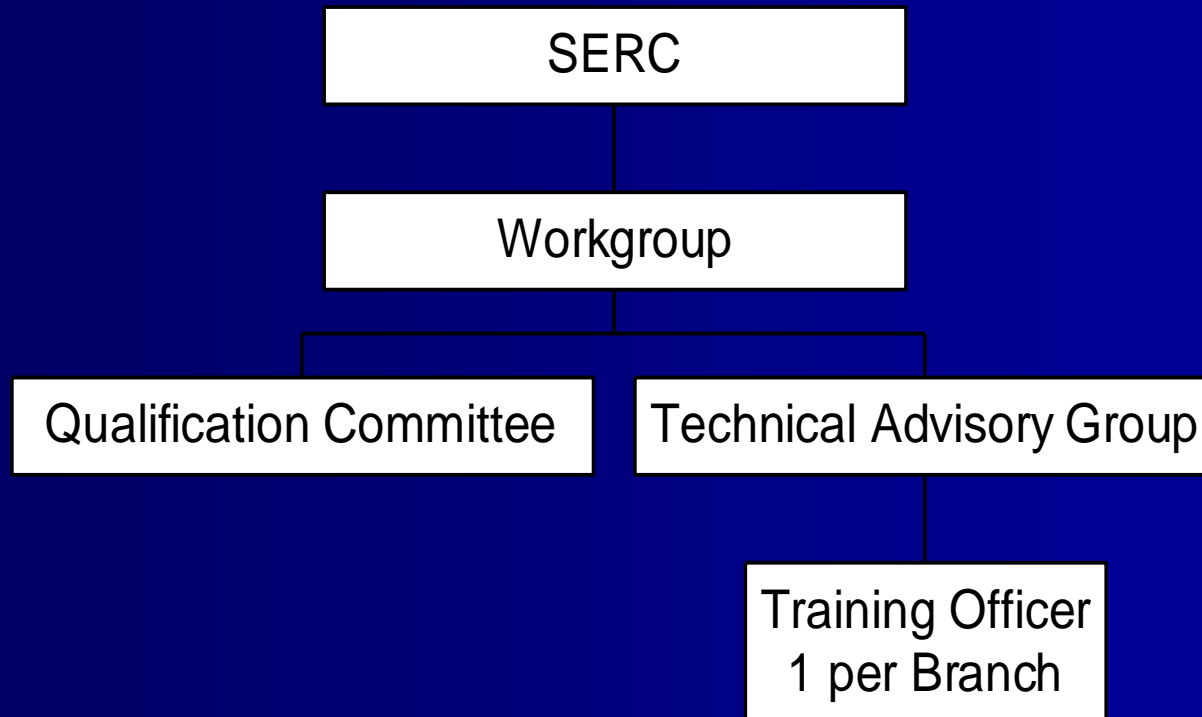

No local agency is required to use these standards or qualifications to manage their own incidents in their jurisdiction.

Goal

- Establish 9 Type 3 Teams
- Build 2 Type 2 Teams from the Type 3 Teams

Administration and Oversight of Program

All Hazards Incident Management Team

AHIMT Workgroup

- Authority and responsibility for the AHIMT Program and Teams
 - Establish program guidelines and policies consistent with National Standards
 - Develop Type 2 and 3 AHIMT capabilities
 - Sustainment of AHIMT capabilities
 - Credential ICS responders for deployment outside of their jurisdiction

[illegible]

Components of the Qualification System

- The Qualifications Committee
 - is authorized to determine if the applicant meets the requirements for the NC AHIMT positions and the ability to respond as part of a NCAHIMT
 - the credentialing is given by the Qualifications Committee
- Technical Advisory Group (TAG)
 - Provides guidance on the development, resourcing and sustainment of the Type 3 IMTs

Qualifications Committee

- **ESF 1 (Transportation)**
- **ESF 2 (Communications)**
- **ESF 3 (Public Works and Engineering)**
- **ESF 4 (Firefighting)**
- **ESF 5 (Emergency Management)**
- **ESF 6 (Mass Care, Emergency Assistance, Housing, and Human Services)**
- **ESF 8 (Public Health and Medical Services)**
- **ESF 9 (Search and Rescue)**
- **ESF 10 (Oil and Hazardous Materials Response)**
- **ESF 11 (Agriculture and Natural Resources)**
- **ESF 13 (Public Safety and Security)**

TECHNICAL ADVISORY GROUP

TAG Members per BRANCH

Branch Manager

LEO (1)

Alternates (1)

EMS (1)

Alternates (1)

FIRE (1)

Alternates (1)

EM (1)

Alternates (1)

Area Coordinator

NCEM Ops Chief- TAG Chair
Chair, AHIMT WG (NCFS)
Chair, AHIMT Qualification

Type 3 Team (8 Pax)

- Incident Commander
- Operations Section Chief
- Plans Section Chief
- Logistics Section Chief
- Finance/Administration Section Chief
- Safety Officer
- Public Information Officer
- Liaison Officer
 - Unit Leader Positions should be provided by the requesting jurisdiction

Administration and Oversight of Teams

- NCEM Eastern Branch, Central Branch and Western Branch Managers are the Agency Administrators for the Regional Type 3 Teams
 - AHIMT Technical Advisory Group (TAG) has been established to standardize the Teams across the State

Credentialing

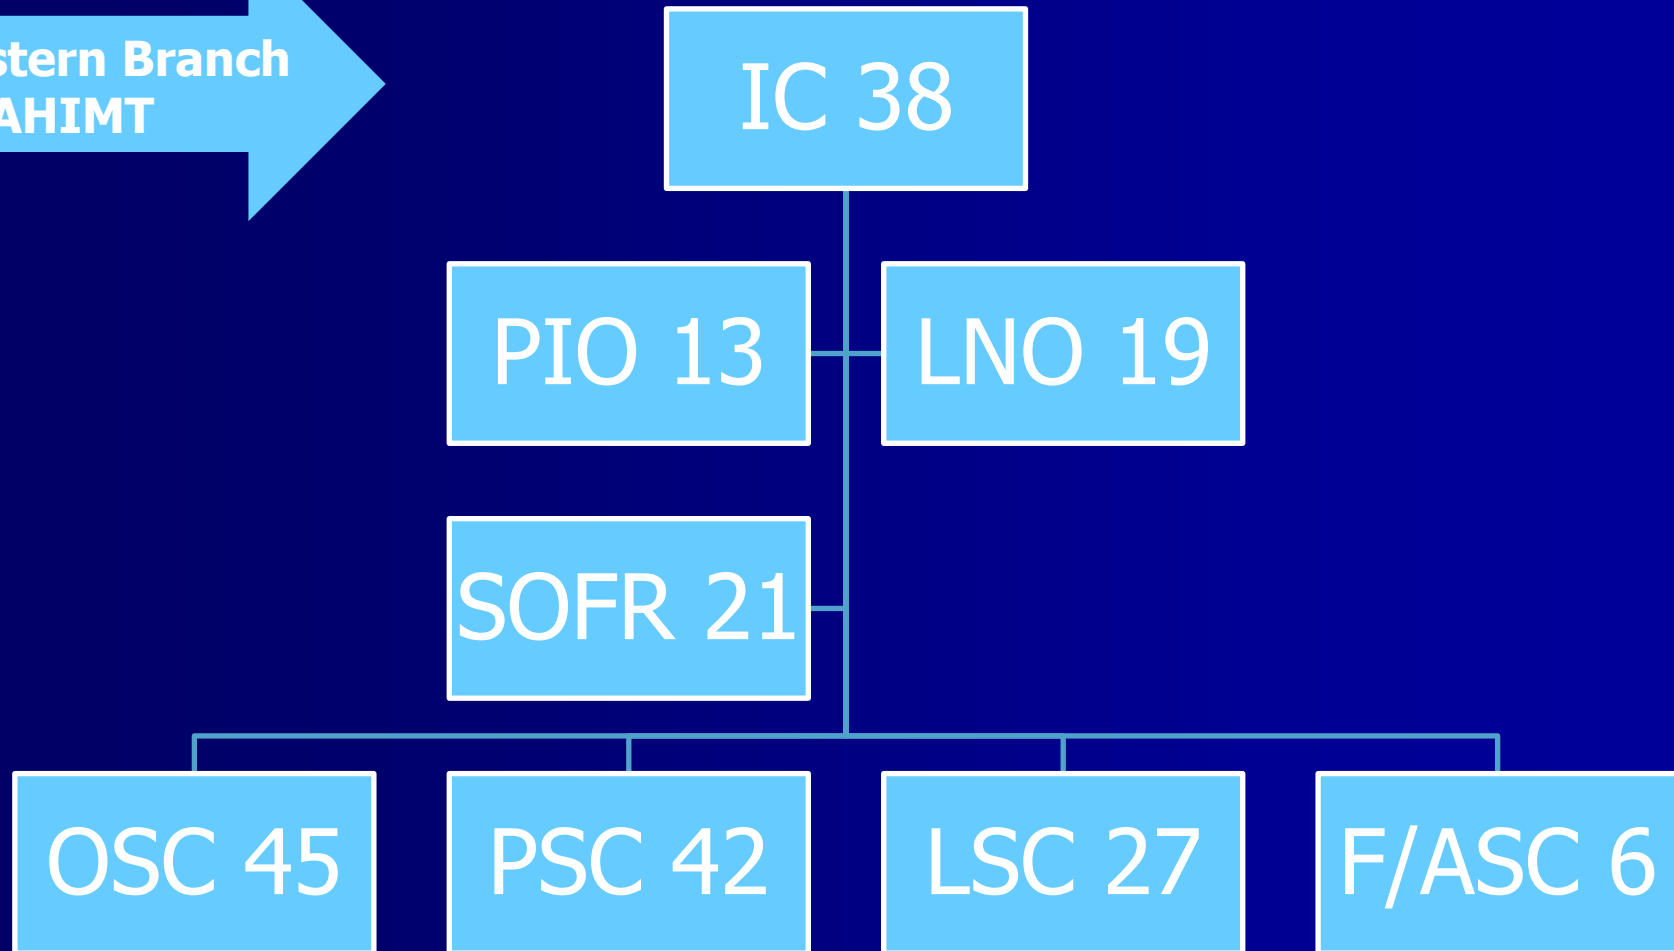

- **Full Credential** – The credential issued to an individual that has completed all required training, demonstrated proficiency as documented in the position task book, and been recommended by their agency head or Authority Having Jurisdiction (AHJ).
- **Provisional Credential** – A credential issued to an individual that has completed all required training with the exception O-305 for Type III AHIMT, demonstrated proficiency as documented in the position task book, and been recommended by their agency head or Authority Having Jurisdiction (AHJ).
- **No Credential** – More experience or prerequisites needed

Progress

- 147 individuals are now fully credentialed in 343 positions
 - 81 in Western Branch
 - 46 in Central Branch
 - 20 in Eastern Branch
- 31 others are provisionally credentialed awaiting completion of the O-305 course.

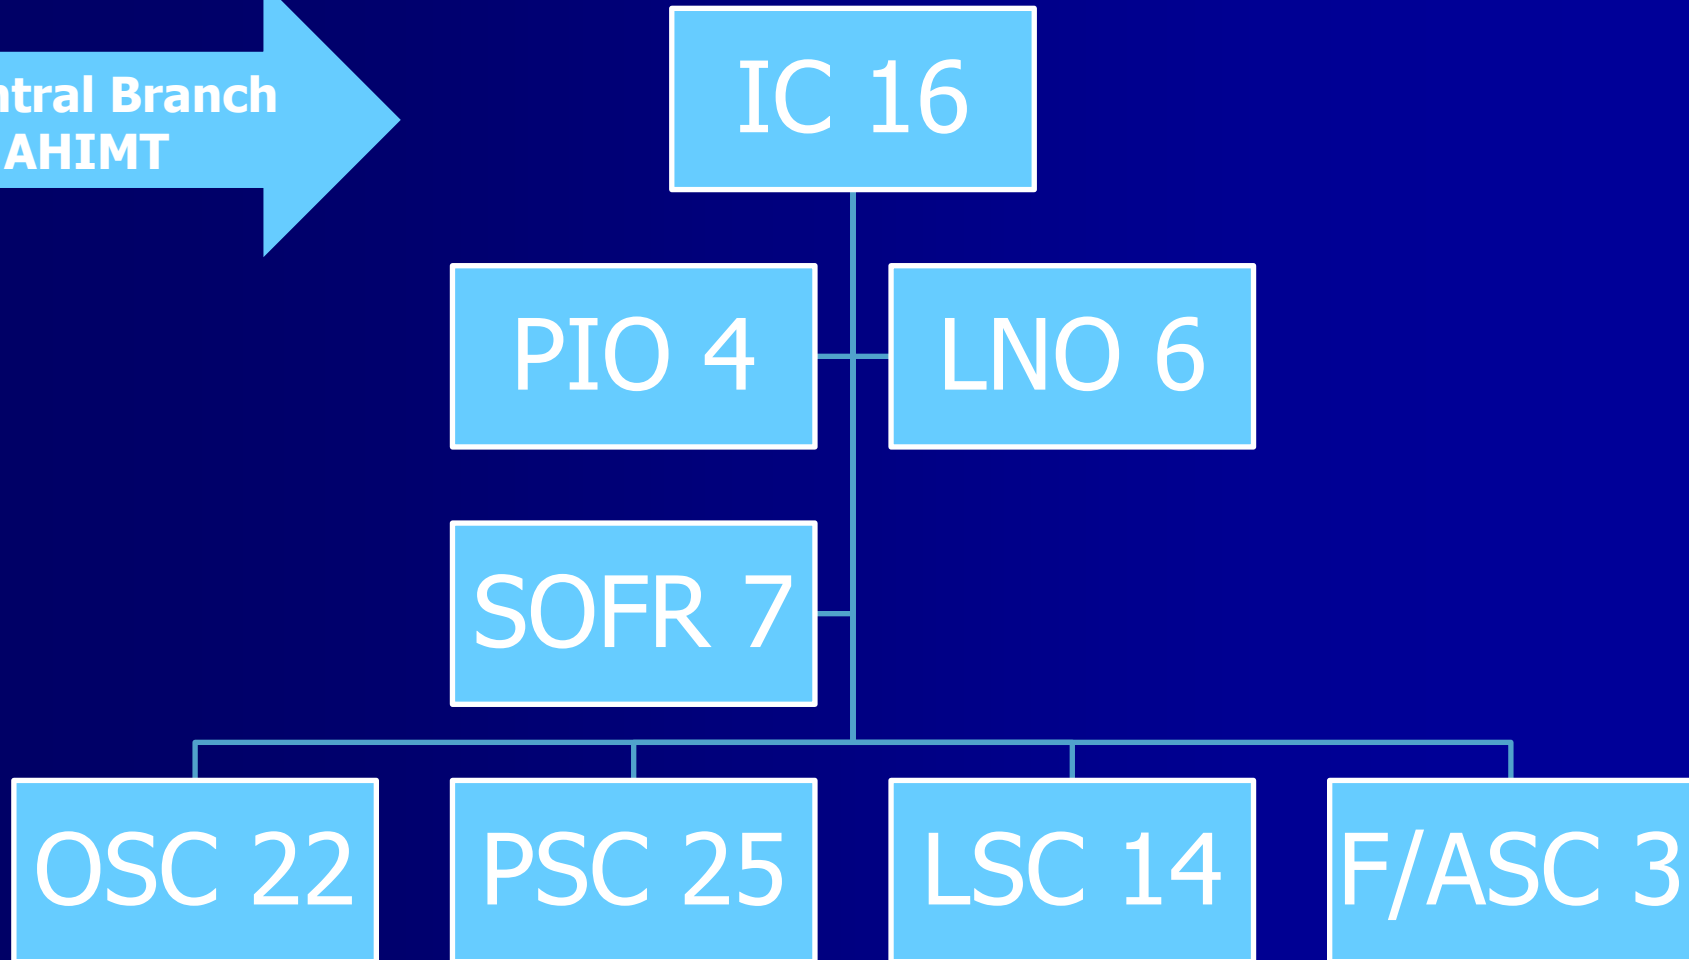

Progress

Western Branch
AHIMT

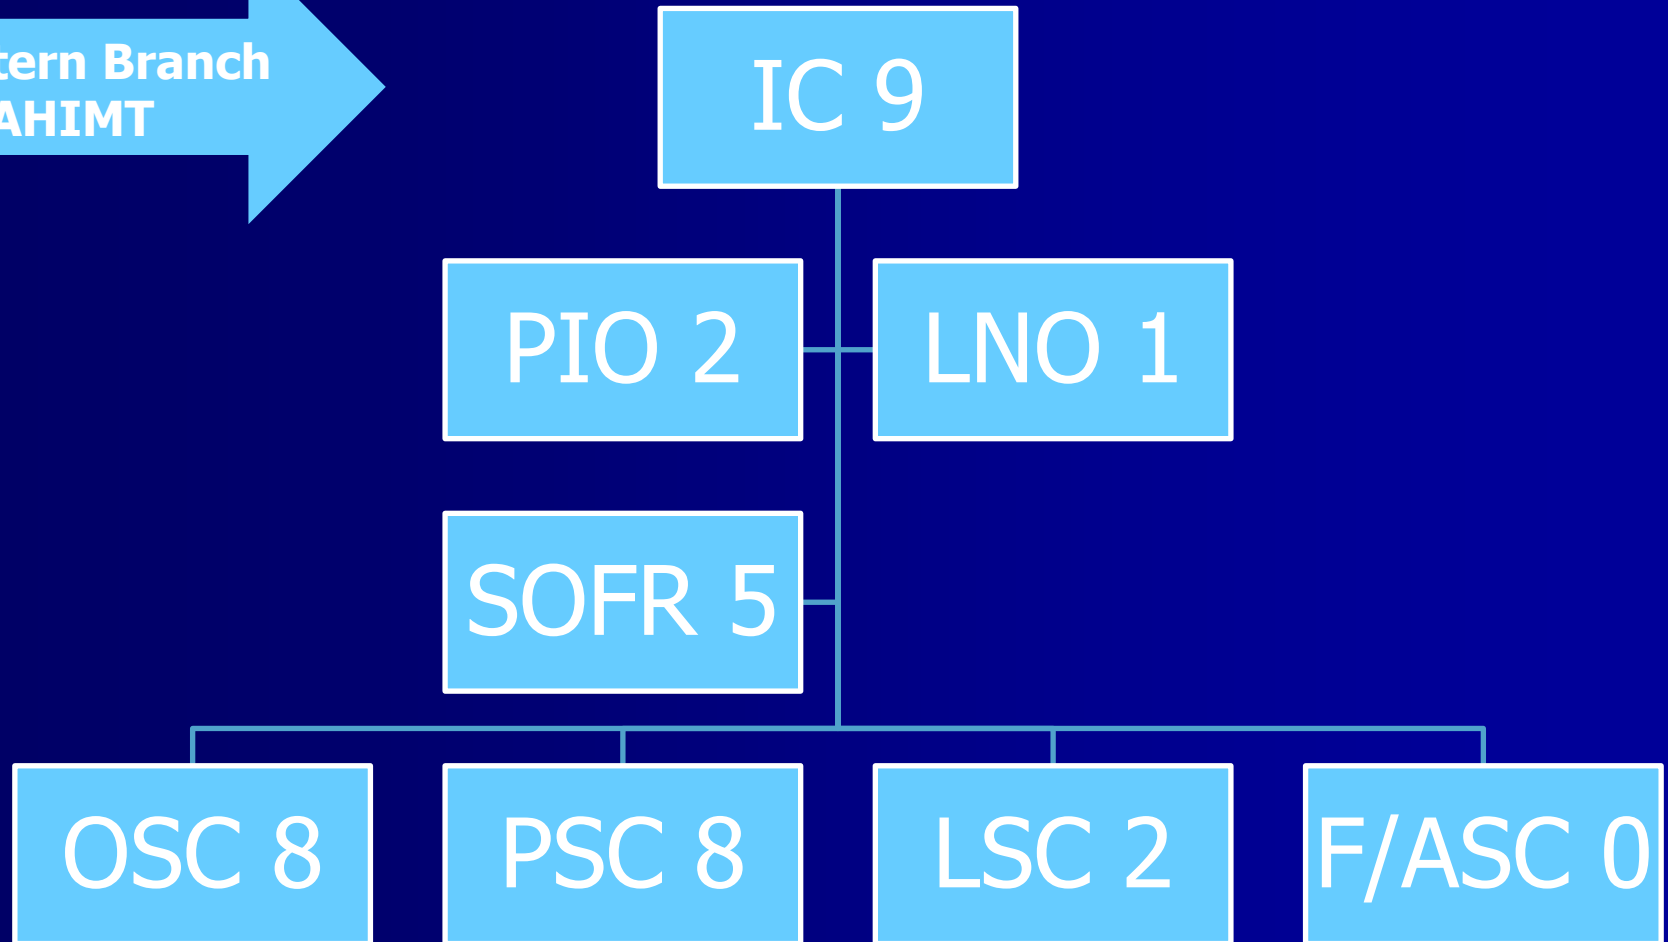

Progress

Central Branch
AHIMT

Progress

Eastern Branch
AHIMT

Progress

- Position Task Books initiated
 - Eastern Branch
 - 5 Situation Unit Leader
 - Central Branch
 - 3 Resource Unit Leader
 - 4 Situation Unit Leader
 - Western Branch
 - 9 Division Supervisor

The Way Forward

- Position Task Books (PTB) will be used for all Command & General Staff and Unit Leader Positions, the term "current" will be used in all guides to allow transition to the national PTBs when they are approved

The Way Forward

- Initiating Authority (IA) for PTBs is the NCEM Branch Managers for Unit Leader Positions
- AHIMT Qualification Committee is the IA for Command & General Staff PTBs

The Way Forward

- Additional O-305 (AHIMT) Courses will be scheduled to meet the needs of those with Provision Credentials
- Develop Position Qualification data base in TERMS
- Issue Salamander® ID Credential Cards

The Way Forward

- AHIMT TAG will continue to work on procedures and equipment
- The AHIMT Workgroup will monitor the Type 3 Teams as they mature and begin to develop the two Type 2 Teams
- Fill out the Eastern Branch Team
 - Build depth in key positions on all Teams

Final Thoughts

- AHIMT Process – Still a work in progress
- Good pool of Qualified Individuals to deploy in and out of State as needed
- Team Formalization – Well under way

Final Thoughts

- Challenges –
 - Building the Eastern Branch Team
 - Adding depth in key positions
 - Maintaining interest and keeping members current between deployments

North Carolina Emergency Management

Mission Assignment

*Resource requests from any RCC **Area of Operation (AO)** is the responsibility of the RCC, regardless of whether resources needed are staged by RCC, or the NC State Emergency Operations Center (SEOC).*

RCC shall task the appropriate resource to the assignment using sound operational knowledge.

North Carolina Emergency Management

Operational Coordination

RCC Tasked for resources: Any resource assigned to RCC and under the Command and Control of RCC.

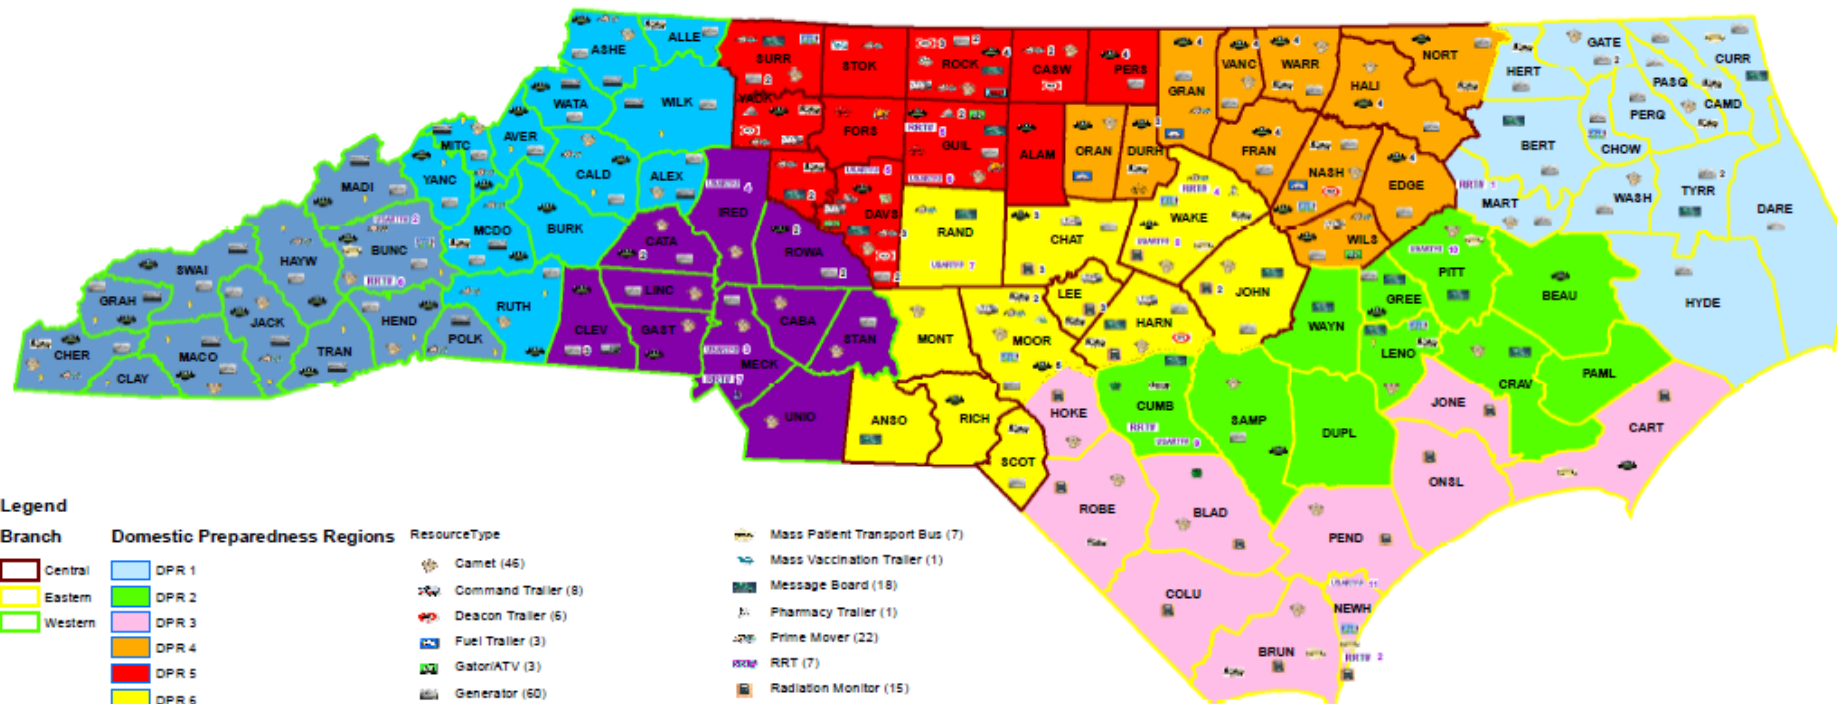

RCC Facilitated Mutual Aid Resources: Any local resource identified within the counties/municipalities to be available for deployment via Statewide Mutual Agreement.
